

# University of Arizona Area Bicycle and Pedestrian Study

Please Join Us to

# Improve Walking and Biking around the University of Arizona

## WHAT

The University of Arizona Parking and Transportation Services and the Pima Association of Governments is working on improving walking and bicycling at and around the University of Arizona campus. The project will guide the development of bicycle and pedestrian facilities and programs in the area over the next several years.

You are invited to join us for a public workshop, bike audit, and walk audit to discuss issues for bicycling and walking, help identify locations where bicycle and pedestrian facilities are most needed, and brainstorm solutions.

## WHEN AND WHERE

### Walk Audit #1 (Pedestrian Facilities Assessment)

Wednesday January 25th | 4-6 pm  
Meet at the parking kiosk at the 6th Street parking structure

### Public Workshop

Thursday January 26th | 11 am-2 pm  
Student Union, Catalina Room

### Walk Audit #2 (Pedestrian Facilities Assessment)

Thursday January 26th | 2-4 pm  
Meet at the bike valet on the Mall at the University of Arizona

### Bike Audit #1 (Bike Facilities Assessment)

Thursday January 26th | 2-4 pm  
Meet at the bike valet on the Mall at the University of Arizona

## QUESTIONS?

If you have questions or can't make the meeting and would like to learn about more ways to participate please contact Ann Chanecka, Tom Amparano, or Sam Corbett.
