How to Read the Shuttle Guide

Cat Tran's Guide will help you get around the UA Campus quickly and easily. To find the best route to get to your office, class, meeting or event, consult the Cat Tran map above and corresponding schedule on the reverse side.

1. Find the correct route on the map.
2. On the map, using the color-coded routes find the stop closest to your boarding location and destination, indicated by a ★ or symbol ★ on the map.
3. A ★ symbol on the route indicates that the shuttle stop has a corresponding published departure time on the schedule on the reverse side.
4. Find the corresponding route on the schedule on the reverse side and scan down the column. Read across to determine the arrival time nearest your destination. Cat Tran Shuttles operate M-F, 6:30 am to 6:30 pm. Night Cat shuttles operate M-F, 6 pm to 12:30 am.
5. To calculate a departure time at a ★ stop, estimate the time between two published ★ stops on the route you wish to ride.

Fares and Passes:

1. All stops on campus are free to visitors, students, faculty, and staff.
2. Access from the 9005, 9007 lots, and all stops on Mountain Ave. on the Orange Route, and 9006 lot on the USA Route are restricted to permit holders and University affiliated area residents with a paid boarding pass.
