

University of Arizona – Parking & Transportation Services, Disability Cart Service Approval Form

Eligibility Requirements – Please Read & Acknowledge

The Disability Cart Service Program is a free high-level service that is provided to all University of Arizona students, staff, faculty, and public participants in UA campus programs who, based on a permanent or temporary disability or medical condition, would benefit from “door-to-door” transportation.

To access Disability Cart Service, the prospective rider **MUST** be recommended by University Campus Health or by completing this form through Parking & Transportation Services.

All fields of the form must be completed so that we can make the most appropriate transportation arrangements. Incomplete forms will be returned.

By checking this box, I acknowledge that I have read the requirements above for Disability Cart Service and meet these requirements.

Disclaimer

Disability Cart Service is a free service provided by Parking & Transportation Services. All rides must begin and end at a building or parking lot/structure owned or leased by the University of Arizona. We do not make stops at privately held apartments/condo complexes or businesses. **Rides must be scheduled no later than 30 minutes from the desired pick-up time. We cannot guarantee that every ride will be given on time, however, we do our best to get you to your desired destination in a timely manner.** More tips and guidelines will be sent to individuals once forms are submitted and the user is approved.
