

# Weekday Football Game Notice

On Friday, November 2, 2018, the Arizona Wildcat Football Team will face off against Colorado at 7:30 PM. This event brings a great deal of excitement to our campus and positive exposure to the University and the Tucson community. This opportunity provides a national audience and a chance to showcase our beautiful campus. While this event is a benefit to the UA, it will also have some impact on our normal business activities.

## [Impacts to Campus Traffic](#)

To accommodate this event, UA Parking and Transportation Services (PTS) must ensure there is sufficient parking for thousands of football fans as they arrive on campus for the Friday kickoff. We know this will disrupt some of our normal University activities. We are putting plans in place to minimize the impact.

Tailgating will begin at 1:30 PM on the Mall and we anticipate increased activity and traffic in the area beginning at noon. Delays and detours should be expected when driving near the stadium or center of campus during this time.

## Road Closures: Vehicular, Bicycle, and Pedestrian

- **Campbell Avenue and University Boulevard:** Normal travel will be maintained until 2:30 PM. At that time, the entire street access will be closed to vehicular traffic until 11 PM. Pedestrian and bicycle travel will not be affected by this closure.
- **Cherry Avenue at Hawthorne Street:** Normal travel will be maintained until 2:30 PM. At that time, the entire street access will be closed to vehicular traffic until 11 PM. Pedestrian and bicycle travel will not be affected by this closure.
- **Highland Avenue and Fourth Street:** Normal travel will be maintained until 5 PM. At that time, the entire street access will be closed to vehicular traffic until 8 PM. Pedestrian and bicycle travel will not be affected by this closure.
- **Sixth Street:** Normal traffic will be maintained until 3 PM. At that time, Sixth Street will close from Highland Avenue to Martin Avenue until 12 AM. Pedestrian and bicycle travel will not be affected by this closure.

## Permit Holder Relocations

To improve traffic and parking conditions on this day, PTS is assigning an alternate parking location to each parking permit holder in the immediately affected areas. PTS will soon send an email informing permit holders where to park on game day and the best route to get there.

Permit holders who will have to park in a different location on the November 2 game day, are those who currently park in: Cherry Garage, Lots 6090, 6092, 6093, 6097, 6098, 4052, 4056, 4164, 4144, and 4057. These parking requirements will also apply to service spaces within these lots. For a detailed map of the relocation assignments, please [click here](#).

If you'd like to avoid relocating your vehicle and willing to try alternative transportation, PTS is offering a SunGo 1-Day pass to permit holders who park in: Cherry Garage, Lots 4056, 4164, 4144, 4057, 4052, 6090, 6092, 6093, 6097, and 6098. Supplies are limited and are available upon request; please contact [PTS-ParkingInformation@email.arizona.edu](mailto:PTS-ParkingInformation@email.arizona.edu). For more information [click here](#).

## Cat Tran Rider Alert: Limited Shuttle Service

Due to the scheduled football game on Friday, November 2, Cat Tran route schedules will be modified as follows:

- Purple, Green, and Yellow route service will stop at 12 noon.
- Night Cat route services will be canceled for the evening.
- Red route will be modified to only service stops: Lot 9008, South Stadium Garage, and Recreation Center stop. **Service will stop at 3 PM.**
- Blue and Orange routes will operate on a normal schedule.

Please use the Transloc Rider or UA mobile app for real-time shuttle tracking. For more information, visit [cattran.arizona.edu](http://cattran.arizona.edu).

**Normal service will resume on Monday, November 5, 2018.**

## Sun Tran Rider Alert

The transit hub on University (in the middle of campus) and bus stop on 6th Street will experience a disruption of regular service during the UA Friday football game. Route 15 is an ALL DAY reroute and Route 3 will be rerouted 4.5 hours before kick-off. For more information about this change and other rider alerts from Sun Tran, please visit their website at [suntran.com/alerts.php](http://suntran.com/alerts.php).

## [Football Fan Game Day Parking](#)

Vehicle parking on game days is available at various lots and garages for a fee of \$10, \$15, or \$20. For specific locations and prices, please see our **[Football Game Map](#)**. Tailgating is not permitted in the parking garages or these surface lots. Cherry Avenue Garage is restricted to those with a state-issued disabled plate or placard, the cost per season space is \$105 for seven games and will be prorated after each game.

UA Parking & Transportation Services has partnered with Metropia again this year to make getting to home football games more convenient. Find available parking before you head to campus and get door-to-door navigation directly to your lot and around campus road closures.

Even better, carpools of 3 or more football fans can PARK FOR FREE in Tyndall, Main Gate, Park Avenue and Highland Avenue Garages when you use Metropia's DUO social carpooling feature.

For more information regarding athletic event parking, tailgate passes, and more please **[click here](#)**.

## [Here to Help](#)

Please contact UA Parking & Transportation Services at **[PTS-ParkingInformation@email.arizona.edu](mailto:PTS-ParkingInformation@email.arizona.edu)** if you have any questions or concerns regarding this notice. We sincerely appreciate your understanding and support of UA Athletics. Go Cats!
