

The following garages use bar code technology for temporary passes:

Sixth Street  
Cherry Ave.  
Main Gate  
Park Ave.  
Second Street  
Tyndall Ave.  
Highland Ave.

### How to use your gate access card

Hangtag permits - the gate access card is on the back of the permit.

Windshield permits - a separate access card is issued.

Card readers are not always in the same position. Swipe the gate access with black stripe or bar code facing the thickest part of the reader.
